Dear Al and the Four Seasons  
Motorcycle Club,

Thank you so very much for the  
amazing Kindle Fire, MP3 players and  
Clock radios for the wonderful DHC1  
residents! We are just blown away  
by the generosity of your club.

The music and memory program is  
up and running and is providing  
fabulous tunes and fun for so many  
who need it. - Thank you! Sincerely,  
Joni
