Restoring Lives
 Rebuilding Families
 In Jesus' Name
 For Wilmington and the Delaware Valley

November 15, 2016

Dear Angello,

A few Saturdays ago I had the privilege of leading our 14th Back-to-School Rally. We always have fun with that event when nearly 900 children and 300 parents show up to receive great backpacks filled with school supplies. We, together with over 100 volunteers share how important it is for these children to stay away from drugs and alcohol and tobacco and gangs. And we share how God through Jesus can be their friend, guide, and Savior.

You make this possible. You help stop children from making wrong decisions that will haunt them the rest of their lives. You help give them hope! You help show them that in the midst of the hard things in life there is a God who loves them and will care for them when all else fails.

Because of you lives are changed and hundreds of children may not start down the road of addiction, violence and homelessness.

Besides all the thousands of meals and beds and clothing you help provide to men and women at Sunday Breakfast Mission, you are changing the lives of children forever, as well.

Together in His Work!
